CARTELLA COLORI & FINITURE
 COLOR CHART & FINISHES
 2021

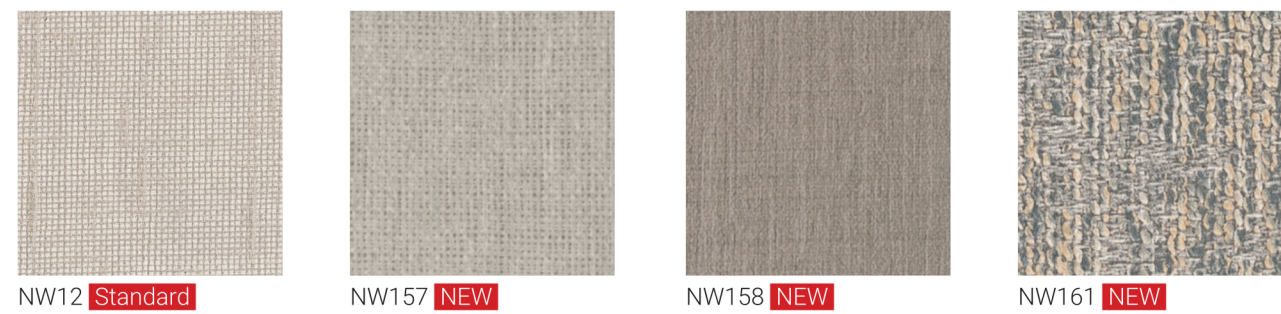

PATINATI / COATED FINISHES

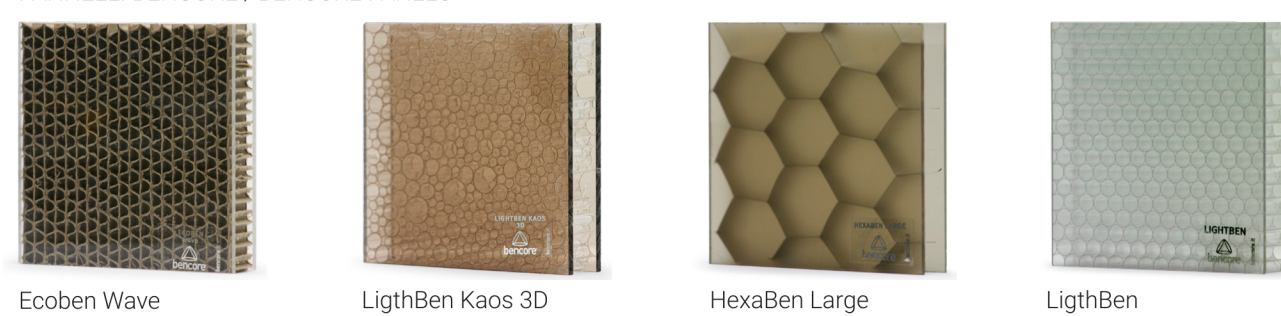

VETRI / GLASSES

EFFETTO TESSUTO / FABRIC EFFECT

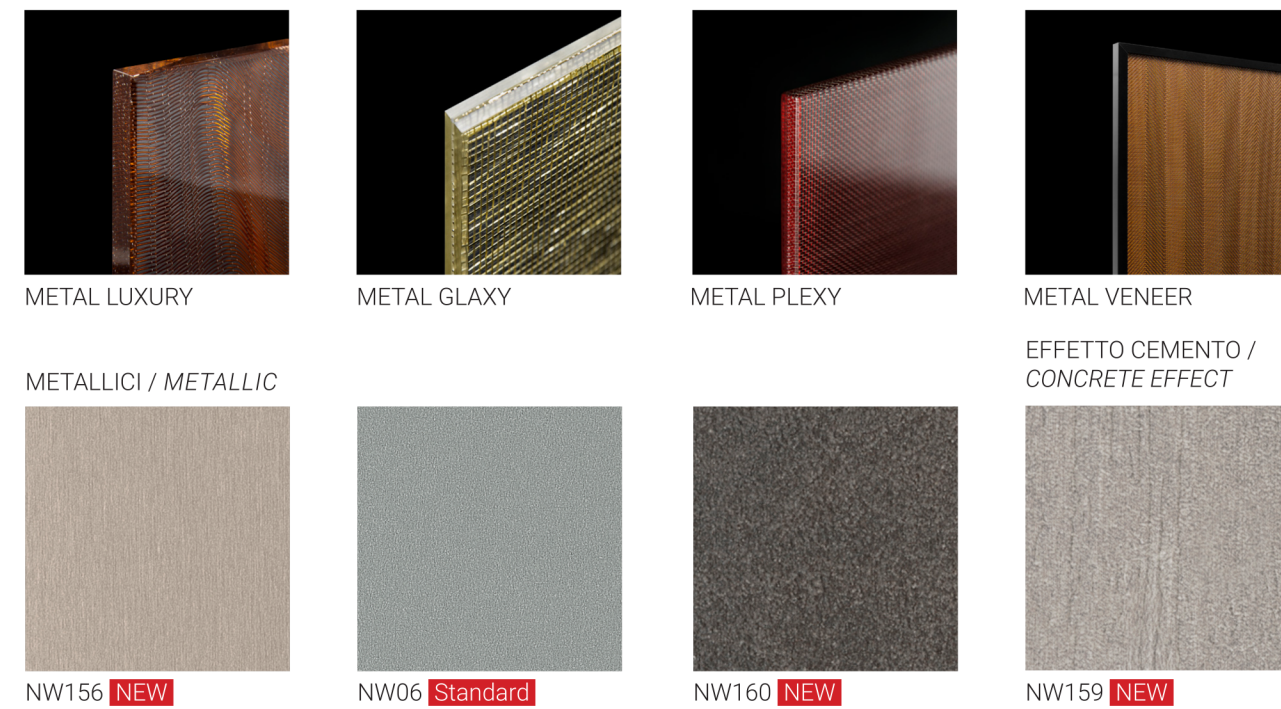

PANNELLI BENCORE / BENCORE PANELS

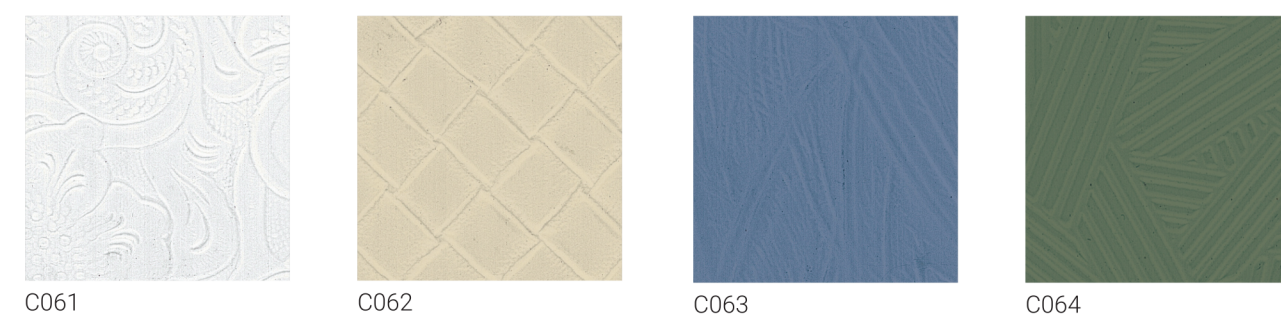

In aggiunta alle finiture di serie PATINATI, LEGNI e VETRI, su richiesta è disponibile una vasta gamma di finiture e colorazioni personalizzate, previa approvazione del nostro ufficio tecnico. I colori dei vetri possono essere personalizzati nelle tinte della cartella RAL.

In addition to the standard finishes COATED, WOOD and GLASSES, is available upon request a wide range of finishes and custom colours prior approval of our technical department. Glasses colours can be chosen from the RAL colour swatch.

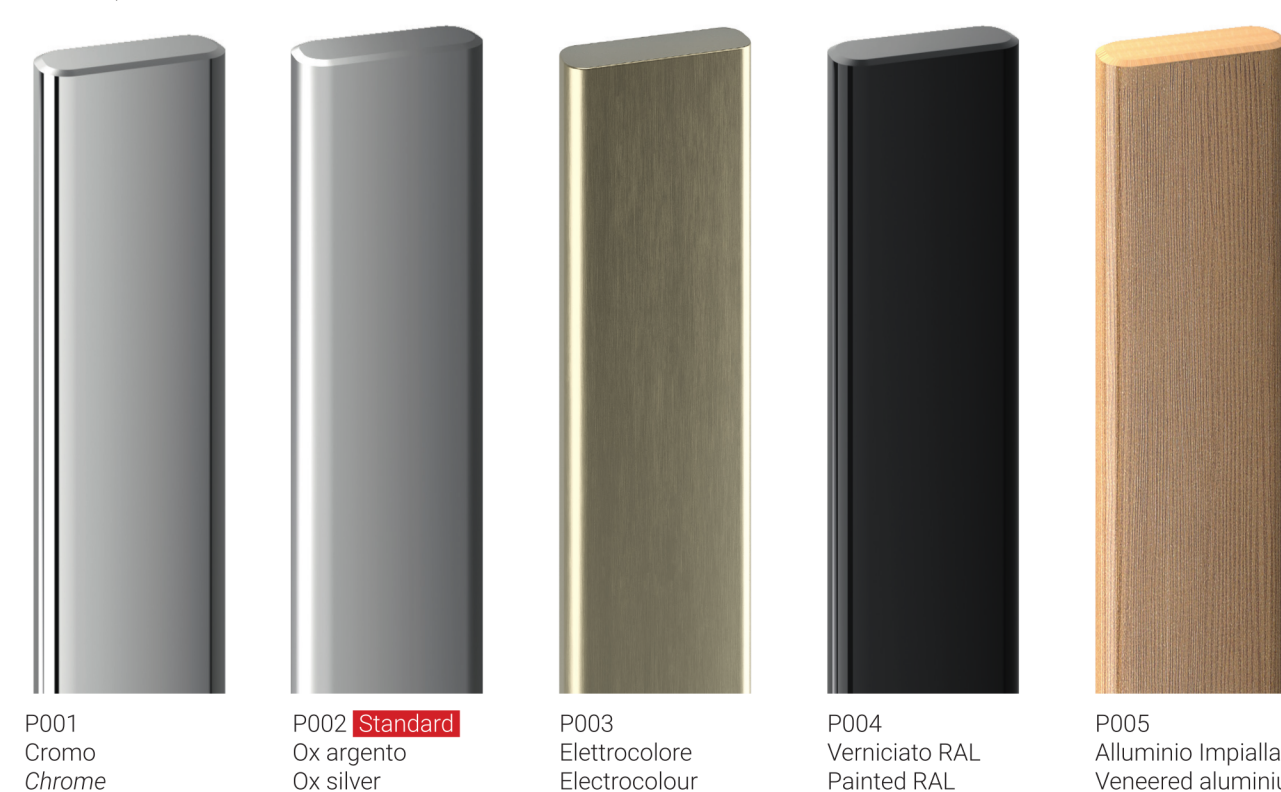

TELE METALLICHE / METAL MESH

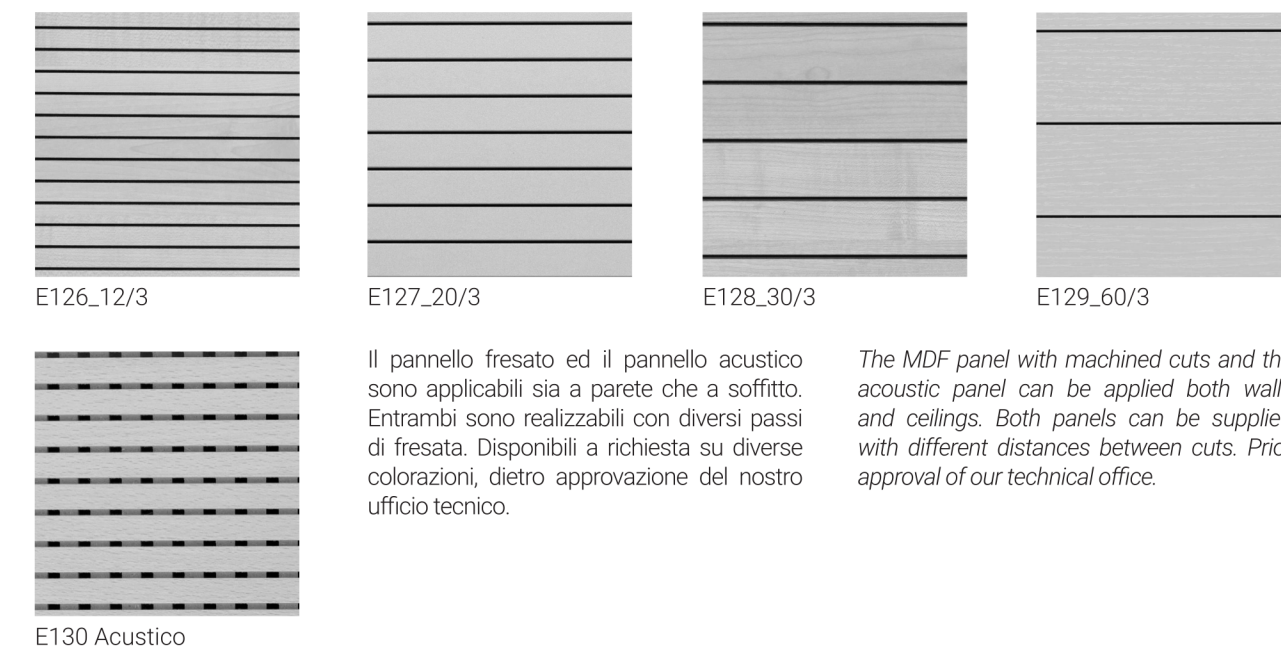

RILIEVO VERNICIABILE / PAINTABLE EMBOSS

PROFILI / PROFILE

FRESATURE / MACHINED FINISHES

Il pannello fresato ed il pannello acustico sono applicabili sia a parete che a soffitto. Entrambi sono realizzabili con diversi passi di fresata. Disponibili a richiesta su diverse colorazioni, dietro approvazione del nostro ufficio tecnico.

The MDF panel with machined cuts and the acoustic panel can be applied both walls and ceilings. Both panels can be supplied with different distances between cuts. Prior approval of our technical office.

PERSONALIZZAZIONI CON FILM ADESIVO / ADHESIVE FILM CUSTOMIZING

Il legno utilizzato nei prodotti proviene da foreste ben gestite certificate FSC®, da materiali riciclati e da altre fonti controllate. Richiedi prodotti certificati FSC. The wood used in the products derives from well-managed FSC® certified forests, recycled materials and other controlled sources. Request FSC certified products.
