Negli uffici moderni in cui molte persone devono usare la stessa postazione, Pop Ad è la soluzione ottimale di scrivania regolabile in altezza perché è facilmente personalizzabile su base individuale. Senza modificare il layout dell'ufficio, Pop Ad rende l'ambiente lavorativo un luogo intelligente e dinamico. Il sistema integrato sit-stand permette di passare dal lavorare seduti a in piedi promuovendo il benessere delle persone e le esigenze di flessibilità dei moderni ambienti di lavoro.

In modern offices where many people have to use the same workstation, Pop Ad is the optimal height-adjustable desk solution because it can be easily customised on an individual basis. Without changing the office layout, Pop Ad makes the working environment an intelligent and dynamic place. The integrated sit-stand system makes it possible to switch from a sitting position to a standing one while working, promoting people's well-being and the flexibility requirements of modern working environments.

A modern office interior featuring a staircase with a metal railing and wooden steps on the right side. The office space includes several desks with white and grey surfaces, equipped with ergonomic chairs that have green seats and black frames. A large potted plant is positioned near the staircase. The background consists of grey modular cabinets. The floor is made of dark, large tiles. The ceiling has recessed lighting.
